

## Welcome to our latest update

We thought you'd be interested to see where we've currently been able to help Notts youngsters secure a place they can call home. And we also bring you details of a new partnership.

## How do we help?

Home & Dry recognise the difficulties young, disadvantaged people face, when trying to secure safe, independent accommodation. Specifically those that can afford to pay rent, but can't fund a deposit.

On the recommendation of our Partners, we can swiftly come to the help of these youngsters, by funding their deposit with a Home & Dry Starter Grant.

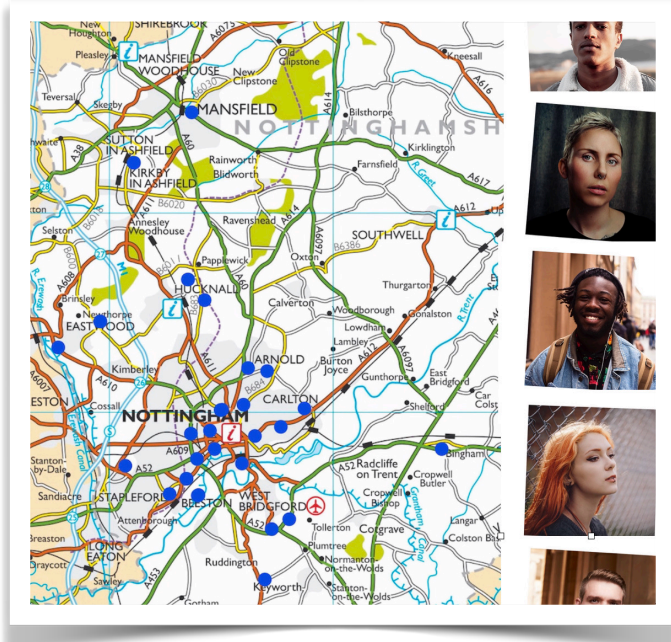

## What can you do?

Helping young people overcome the hurdle of a rent deposit has a major impact on them resettling quickly, appropriately and positively. If you know a Nottinghamshire youngster (aged 16 to 25), trying to get back on their feet, but struggling to fund a rent deposit, we'd like to hear from you. Alternatively, if you want to learn more about us, or explore how we might work together; please email us at:

# Putting Home & Dry on the map

As you can see from the 'blue dots', we've now helped 26 individuals across the County make the move into their own accommodation. Our most recent feedback shows that 90% of those assisted with a Home & Dry Starter Grant are still in their original home. We'd love to be able to extend our help to the far north of the county and would be pleased to receive nominations from that part of the world.

We rely on our partners to nominate suitable individuals and to that end, we're delighted to welcome René House to our roster.

René House is a Social Enterprise which provides housing and support for vulnerable adults in the Nottinghamshire area. We'll be working with them to help them achieve positive housing outcomes for young people. Like us, they believe that given the right environment, assistance and a willingness from that person to take responsibility - amazing things can happen. Hear, hear:

Helping young people in need secure a place called home
