NEWS

HOME & DRY

Welcome to our Xmas newsletter

As this challenging year draws to a close, we take the opportunity to reflect on the positive outcomes for both recipients of the Home & Dry Starter Grant and our Partners.

How do we help?

Home & Dry recognise the difficulties young, disadvantaged people face, when trying to secure safe, independent accommodation; specifically those that can afford to pay rent, but can't fund a deposit.

On the recommendation of our Partners, we can swiftly come to the help of these youngsters, by funding their deposit with a Home & Dry Starter Grant.

What can you do?

If you know a Nottinghamshire youngster aged between 16 to 25, doing their best to get back on their feet, but struggling to fund a rent deposit, we'd like to hear from you.

Alternatively, if you just want to learn more, or explore how we might work together; please email us at:

help@homeanddry.org

Comfort & joy

Certainly a phrase you associate with Christmas, but one which we hope adequately sums up the feelings felt by those receiving and giving Home & Dry Starter Grants, during this last year.

As we now head towards a new year, we are also approaching the milestone of 80 young people benefitting from our Starter Grants. Every grant is not only a milestone for us, but a significant milestone in the lives of the recipients. For most, it's the first time they've been able to take a step towards true independence. Even more positively, it's proving to be a stepping stone for them to grow towards achieving their aspirations and continue to build their lives.

We would like to say a special thank you to each one of our five Partners, and associated experts on the ground, for all their untiring help this year. Without whom, none of this would be possible. Your exceptional work helping these young people is so appreciated and admired by us all. As is your diligence and sometimes super human effort in bringing everything together when deposit deadlines are tight (to say the least).

We look forward to speaking with you all in 2023. Enjoy your Christmas break.
