# NEWS

# HOME & DRY

## Welcome to our Xmas newsletter

In this edition, we bring you good news at the end of what's been another challenging year. We look forward to working with you to put our new funds into action.

## How do we help?

Home & Dry recognise the difficulties young, disadvantaged people face, when trying to secure safe, independent accommodation; specifically those that can afford to pay rent, but can't fund a deposit.

On the recommendation of our Partners, we can swiftly come to the help of these youngsters, by funding their deposit with a Home & Dry Starter Grant.

## What can you do?

If you know a Nottinghamshire youngster aged between 16 to 25, doing their best to get back on their feet, but struggling to fund a rent deposit, we'd like to hear from you.

Alternatively, if you just want to learn more, or explore how we might work together; please email us at:

## The perfect Christmas gift

Home & Dry are delighted to have received a timely grant from The Jones 1986 Charitable Trust, enabling us to fund a further ten of our Starter Grants.

To receive this kind of a grant from an independent charitable organisation, is a considerable endorsement of everything Home & Dry has achieved to date; and of all that we hope to do in the future. As we near 2024, this grant ensures we can continue to help young people take that step to achieve true independence, with a place they can call home. And equally importantly, provide them with a sound platform from which they can continue to fulfil their personal ambitions.

As always, we'd like to take this opportunity to say a huge thank you to our very special Partners. You enable everything we do and without you, none of this would be possible. We look forward to working with you to put our new funding to use. It's worth remembering that when we have funds available, we are able to move quickly, often making the difference between young people securing their home, or missing out. We're here to help.

Here's to a brighter 2024. Have a good Christmas!

Helping young people in need  
secure a place called home
